

# Men measurements

**Correct Measurements to ensure the correct size**

The measurements in the charts refer to body measurements in cm. Measurements for inside leg and neck is for actual garment. Measure yourself tight to body and follow our size guide to choose the correct size for you. The garments are designed to allow for movement.

| Storlek                          | XS    |       | S      |         | M       |         | L       |         | XL      |         | XXL     |         | 3XL     | 4XL     | 5XL     |
|----------------------------------|-------|-------|--------|---------|---------|---------|---------|---------|---------|---------|---------|---------|---------|---------|---------|
|                                  |       |       |        |         |         |         |         |         |         |         |         |         |         |         |         |
| Regular (normal midja) 173-179cm | C42   | C44   | C46    | C48     | C50     | C52     | C54     | C56     | C58     | C60     | C62     | C64     |         |         |         |
| Lång (normal midja) 179-185cm    |       |       | C146   | C148    | C150    | C152    | C154    | C156    | C146    | C148    |         |         |         |         |         |
| A. Bröstvidd                     | 82-85 | 86-89 | 90-93  | 94-97   | 98-102  | 103-106 | 107-110 | 111-114 | 115-118 | 119-122 | 123-126 | 127-130 | 131-138 | 139-146 | 147-154 |
| B. Midjevidd                     | 71-74 | 75-78 | 79-82  | 83-86   | 87-90   | 91-95   | 96-100  | 101-106 | 107-112 | 113-118 | 119-124 | 125-131 | 132-138 | 144-150 | 156-162 |
| C. Stussvidd                     | 90-92 | 93-96 | 97-100 | 101-104 | 105-108 | 109-112 | 113-116 | 117-120 | 121-124 | 125-128 | 129-132 | 133-136 | 137-144 | 145-152 | 153-160 |
| D. Regular innerbenslängd        | 80    | 80    | 80     | 82      | 82      | 82      | 82      | 84      | 84      | 84      | 84      | 84      |         |         |         |
| D. Lång innerbenslängd           |       |       | 85     | 87      | 87      | 87      | 87      | 89      |         |         |         |         |         |         |         |
